

Who We Are

The Battle River Shock football team joined the CDMFA for the 2009 spring campaign. Ever since, Battle River Shock has showcased some of the top athletes from Central Alberta. We welcome any students who are currently in grades 9-11 and between the ages of 14-17.

In the past we have had players from; Red Deer, Lacombe, Sylvan Lake, Rocky Mountain House, Ponoka, Stettler, Camrose, Wetaskiwin, Maskwacis, Hay Lakes, Buck Lake and Drayton Valley. Our spring season is not meant to replace the traditional fall season. We hope that our season will help develop the skills and knowledge needed to compete at the highest level. Our hand selected coaching and medical staff have decades of experience and are dedicated to the success of each athlete.

As We Defend Our Title!

A Word From Our Alumni...

Battle River Shock is extremely proud to currently have alumni in the CJFL, USports and the CFL.

“The Shock organization has given me tremendous opportunities to continue my football career out of high school and still today to coach and give back. I am proud to be a part of the Shock family for nearly a decade now, as they continue to shine light on the potential that young football players have in Central Alberta.”

OL - Theren Churchill
Formerly William E Hay Wildcats
Currently Toronto Argonauts (CFL)

“Playing for the Shock football program helped me develop as a player. You gain insight and skills from other coaches that you’d never get playing for just a highschool program. Shock football will give you a real idea of what competitive football is like.”

WR - Nolan Hodder
Formerly West Central Rebels
Current Edmonton Huskies (CJFL)

“Battle River Shock has given me the opportunity to play against higher competition and an opportunity to improve my skills while developing a championship mindset towards my goals.”

OL - William Stigant
Formerly Wetaskiwin Sabres
Currently Edmonton Wildcats (CJFL)

“Shock is amazing! I will forever cherish the coaches and trainers that put endless hours into my development not only as a football player but also as an everyday citizen. As soon as I stepped on that field they made me feel like family and motivated me to do better even when I thought I was going to fail. Shock football is a must!!”

RB - Warren Stewart
Formerly Sylvan Lake Lakers

2022.

Shock will improve your skills & overall understanding of the game.

Shock will teach you the values of cooperation and teamwork; you will experience success in the ultimate challenge of an “all out competition”.

Shock believes football mirrors life. It requires perseverance, self-denial, hard work, sacrifice, dedication and respect for authority.

Shock believes that it’s the name on the front of the jersey that matters most, and not the name on the back.
